Player Profile

Birthday 30th April. Full name Patricia Marzi but called Trish. (Vice President)

Supervisor Postal Service Officer

Have played with PLDA for 20+ years currently playing with Hustlers

My partner Wayne and daughters Kristie and Shauna (baby Elliott) complete my family

Highest achievement back in the day was competing in U 25's and missing out by .01 for top averages

Any double on the board is a favourite if goes in

I've hit a few 180's still trying for 171 and 170 peg

Darts has always been in the family as both mum and Dad plus grandparents have played. Played in U18's and U25's over the years

Use a 28 gr dart also occasionally a 24 gr dart

Secret for playing good darts throw them (throwing straight) instead of being lazy and just throwing willy nilly

Other hobbies include reading, computers, binge watching tv series and my grandchildren
